

Tonight Is What It Means To Be Young

Fire, Inc.

I've got a dream 'bout an angel on the beach
And the perfect waves are starting to come
His hair is flying out in ribbons of gold
And his touch has got the power to stun I've got a dream 'bout an angel in the forest
Enchanted by the edge of a lake
His body's flowing in the jewels alive
And the earth below is starting to shake But I don't see any angels in the city
I don't hear any holy choirs sing
And if I can't get an angel
I can still get a boy
And a boy'd be the next best thing
The next best thing to an angel
A boy'd be the next best thing I've got a dream 'bout a boy in a castle
And he's dancing like a cat on the stairs
He's got the fire of a prince in his eyes
And the thunder of a drum in his ears I've got a dream 'bout a boy on a star
Lookin' down upon the rim of the world
He's there all alone and dreamin' of someone like me
I'm not an angel but at least I'm a girl I've got a dream when the darkness is over
We'll be lyin' in the rays of the sun
But it's only a dream and tonight is for real
You'll never know what it means
But you'll know how it feels
It's gonna be over (over)
Before you know it's begun
(Before you know it's begun) It's all we really got tonight
Stop your cryin' hold on (tonight)
Before you know it it's gone (tonight)
Tonight is what it means to be young
Tonight is what it means to be young Let the revels begin
Let the fire be started
We're dancing for the restless and the broken-hearted
Let the revels begin
Let the fire be started
We're dancing for the desperate and the broken-hearted
Let the revels begin ...(Tonight is what it means to be young...)
Let the fire be started ...(Before you know it it's gone...)
Let the revels begin ...(Tonight is what it means to be young...)
Let the fire be started ...(Before you know it it's gone...) Say a prayer in the darkness for the magic to come

No matter what it seems
Tonight is what it means to be young
Tonight is what it means to be young
Before you know it it's gone
Tonight is what it means to be young
Before you know it it's gone Ah...I've got a dream when the darkness is over
We'll be lyin' in the rays of the sun
But it's only a dream and tonight is for real
You'll never know what it means
But you'll know how it feels
It's gonna be over (over)
Before you know it's begun It's all we really got tonight
Stop your cryin' hold on (tonight)
Before you know it it's gone (tonight)
Tonight is what it means to be young
Tonight is what it means to be young...Let the revels begin
Let the fire be started
We're dancing for the restless and the broken-hearted
Let the revels begin
Let the fire be started
We're dancing for the desperate and the broken-hearted
Let the revels begin ...(Tonight is what it means to be young...)
Let the fire be started ...(Before you know it it's gone...)
Let the revels begin ...(Tonight is what it means to be young...)
Let the fire be started ...(Before you know it it's gone...) Say a prayer in the darkness for the magic to come
No matter what it seems
Tonight is what it means to be young No matter what it seems
Tonight is what it means to be young
No matter what it seems
Tonight is what it means to be young Let the revels begin
Let the fire be started
We're dancing for the restless and the broken-hearted
Let the revels begin
Let the fire be started
We're dancing for the desperate and the broken-hearted
Let the revels begin ...(Tonight is what it means to be young...)
Let the fire be started ...(Before you know it it's gone...)
Let the revels begin ...(Tonight is what it means to be young...)
Let the fire be started ...(Before you know it it's gone...) The things they say
And then the things they do
Nothin's gonna stop us if our aim is true...The things they say
And then the things they do
Nothin's gonna stop us if our aim is true...The things they say
And then the things they do
Nothin's gonna stop us if our aim is true...Let the revels begin

Let the fire be started
We're dancing for the restless and the broken-hearted
Let the revels begin
Let the fire be started
We're dancing for the desperate and the broken-hearted
Let the revels begin ...(Tonight is what it means to be young...)
Let the fire be started ...(Before you know it it's gone...)
Let the revels begin ...(Tonight is what it means to be young...)
Let the fire be started ...(Before you know it it's gone...)
