

World of Pain

Cream

Outside my window is a tree
Outside my window is a tree
There only for me And it stands in the gray of the city
No time for pity for the tree or me There is a world of pain
In the falling rain
Around me Is there a reason for today?
Is there a reason for today?
Do you remember? I can hear all the cries of the city
No time for pity for a growing tree There is a world of pain
In the falling rain
Around me Outside my window is a tree
Outside my window is a tree
There only for me And it stands in the gray of the city
No time for pity for the tree or me There is a world of pain
In the falling rain
Around me
