Jaunt

The Filthy Violets

We were two that felt like one
Days alone there were only some
Always prepared our drinks we shared
Same smokes same style same hair
Remember the days
Remember the days
When we could say
I don't need abuse
I need no time to choose
Together we're always amused
Remember the days
Remember the days
They were never the same
Not the same
Not the same
Never the same
Our cars only had two seats
One for you and the other for me
Inside jokes all the time
About the drugs and girls on our minds
On my mind
Remember the days
Remember the days
When we could say
I don't need abuse
I need no time to choose
Together we're always amused
Remember the days
Remember the days
They were never the same
Not the same
Not the same
Never the same
We hated the thought
Of growing apart
Someone else in our cars
But still you can
I know you can
Remember the days

Remember the days
When we could say
I don't need abuse
I need no time to choose
Together we're always amused
Remember the days
Remember the days
They were never the same
Not the same
Not the same
Never the same
Me and you had our way
