

Hurt

Parov Stelar

Love is killing me so sweet
Like the torture that I need
For my way back home Hurt me when I'm close to you
Tell me lies and not the truth
Carve your wrongs in my skin
Yeah Hurt my soul Love destroy my chroming soul
See the gas ships sail back hope
To another world Hurt me when I'm close to you
Tell me lies and not the truth
Carve your wrongs in my skin
Yeah Hurt me when I'm close to you
Hurt me
Hurt me when I'm close to you (hurt)
Hurt (my soul)
