Nobody

Amy Studt

(chanting nobody)
Sometimes it seems that I have no place
And I don't know what to do, with myself
Light up another
I can taste the filth inside
And I need to cleanse my soulNobody knows, nobody cares
That I die on the inside
Nobody sees the lie that is me
'Cause I smile on the outside
Still nobody knows, nobody cares
When I walk on the wrong side
(Tell me who) Nobody
(Tell me who) Nobody
(Tell me who) Nobody...
...But you
(chanting nobody)
All the friends that I've had
Where are they now?
Guess I'm far too intense, to be loved
All the things that I hate
I hate about myself
And I need to cleanse my soulNobody knows, nobody cares
That I die on the inside
Nobody sees the lie that is me
'Cause I smile on the outside
Still nobody knows, nobody cares
When I walk on the wrong side
(Tell me who) Nobody
(Tell me who) Nobody
(Tell me who) Nobody...
...But you(Nobody, nobody, nobody)
I have nobody
(nobody, nobody, nobody)
but you
(Nobody, nobody, nobody)
Nobody, nobody, nobody....but youNobody knows, nobody cares
That I die on the inside
Nobody sees the lie that is me
'Cause I smile on the outside

Still nobody knows and nobody cares
When I walk on the wrong sideNobody knows and nobody cares
But you
Nobody knows and nobody cares
But you
(nobody, nobody, nobody, nobody, nobody)
