# Holidaze

## Mansions

i always sleep through holidaze
dont really wanna see my face
i can't know i'm alone if i am not awake
i always sleep through holidaze
sitting by myself, inside a tiny room
watching bad tv, got nothing else to do
drink til i get sick,
start howling at the moon
spending all my nights just missin' youi always feel so goddamn small
i can't fit in so fuck them all
i close my eyes i can't let on i'm miserable
i always feel so goddamn smallsitting by myself, inside a tiny room
watching bad tv got nothing else to do
drink til i get sick
start howling at the moon
spending all my nights just missin' you
spending all my nights just missin' yougod will surround me,
on the floor in my kitchen
drunk on thanksgiving
just hopin' and wishin'
that i can fall asleep and forget bout where i am
forget that you aren't here, yeah, i think i'm sleepin' insitting by mself, inside a tiny room
watching bad tv got nothing else to do
