## Snow

What's up man, hey, yo, what's up?  
Yeah, what's goin' on here?  
Sick an' tired of five, oh, runnin' up on the block here  
You know what I'm sayin'  
Yo, Snow, they came around here lookin' for you the other day  
Word, word, bust it  
Informer you no say daddy me Snow me I'll go blame  
A lick boom, boom down  
Detective mon said daddy me Snow me stab someone down the lane  
A lick boom, boom down  
Informer you no say daddy me Snow me I'll go blame  
A lick boom, boom down  
Detective mon said daddy me Snow me stab someone down the lane  
A lick boom, boom down  
Police them come an' now they blow down me door  
One him come crawl through through my window  
So then they put me in the back the car at the station  
From that point on me reach my destination  
When the destination reached it was the east detention  
Where them whipped down me pants looked up me bottom so  
Informer you no say daddy me Snow me I'll go blame  
A lick boom, boom down  
Detective mon said daddy me Snow me stab someone down the lane  
A lick boom, boom down  
Bigger they are they think they have more power  
They're on the phone me say that on hour  
(Every)  
Me for want to use it once an' now me call me lover  
Lover who I'll be callin is the one Tammy  
An' me love her in me heart down to my belly  
Yes me daddy me Snow me I feel cool an' deadly  
As the one MC Shan an' the one daddy Snow  
Together we-a love 'em as a Tor-Na-Do

Why would he?  
Why would he?  
Me sittin' 'round cool with my dibbie dibbie girl  
Police knock my door lick up my pal  
Rough me up an' I can't do a thing  
Pick up my line when my telephone ring  
Take me to the station black up my hands  
Trail me down 'cuz I'm hangin' with the Snowman  
What I'm gonna do I'm backed an' I'm trapped  
Slap me in the face an' took all o' my gap  
They have no clues an' they wanna get warmer  
But Shan won't turn informer  
Informer you no say daddy me Snow me I'll go blame  
A licky boom, boom down  
Detective mon said daddy me Snow me stab someone down the lane  
A licky boom, boom down
