Kiss My Ass

K. Michelle

Listen, I'm tired of your shit, oh
Turn me up so I can hear me
I need to hear me
I'm so tired of your shit, oh hmmmnn
You ain't shit and I'm leaving
I'm so tired of paying these bills for you
And that child of yours ain't even cute (I'm just sayin')
Im glad I ain't have no baby by you
Tired of moanin' when it ain't true
That's why I'm through, I'm through
Cause you weren't ready to love but she was ready to, hmn
Wanna show me it's real, here's the light bill you
What you gon do (nothing)
And by the way your mama crazy
And your daddy just as shady
Whyd they ever laid down andd have you , ohhh
Cause you know who you are
And all you've put me through
Raise your glass I ain't mad
You can just kiss my ass
Baby you can just kiss my ass, hmn, oh
Streets be talkin' bout' what ya dooo
And all you've put me through
And that girl be runnin' ha mouth tooo
Why your side chick actin' crazy callin' my phone
More than you lately
Maybe she can pay that bill too
Cause you weren't ready for love
But you were ready to mmhh
Show it's real , pay this light bill
What ya gone doooo
Cause you know who you are
And all you put me through
Raise ya glass
I ain't even mad , you can just kiss my ass
Baby you can just kiss my ass , hmmm ohh
Cause you know who you are
And all you've put me through
Raise ya glass

Cheers to my past
I ain't even mad , kiss my ass
Sincerely kiss my ass
I tried to be the best, be the best for youu
But you didnt want to do, what you had to do
Missed time for you didnt work
You was livin , I was hurt
But no more, I'm all good hmm
Cause you know who you are
Cause you know who you are
And all you've put me through
Raise ya glass
Cheers to my last

Ohh you can just , kiss my assssss
