## The Sweet

She got girls, girls all over the world  
She got men every now and then  
But she can't make up her mind  
On just how to fill her time  
But the only way she can unwind A. C. D. C.  
She's got some other lover as well as me  
A. C. D. C.  
She's got some other women as well as me  
She's got some other women as well as me She's got funk but they call her a punk  
She got zing you wanna see her ding-a-ling  
Well lesbian it together  
I'll guess she'll be in it forever  
You've got to take it now and ever A. C. D. C.  
She's got some other lover as well as me  
A. C. D. C.  
She's got some other women as well as me  
She's got some other women as well as me She got girls, girls all over the world  
She got men every now and then  
But she can't make up her mind  
On just how to fill her time  
The only way she can unwind A. C. D. C.  
She's got some other lover as well as me  
A. C. D. C.  
She's got some other women as well as me  
She's got some other women as well as me  
She's got some other women as well as me A. C. D. C.  
Some other woman as well as me  
A. C. D. C.  
Some other woman as well as me  
A. C. D. C.  
Some other woman as well as me
