Seems Like a Long Time

Rickie Lee Jones

Nighttime is only the other side of daytime
But if you've ever waited for the sun
You know what it's like to wish daytime would come
And don't it seem like a long time
Seem like a long time, seem like a long, long time
Sometimes it seems like a long time, seems like a long time
Seems like a long, long time
Yes it does, a long, long timeHard times are only the other side of good times
But if you ever wished hard times were gone
You know what it's like to wish good times would come
And don't it seem like a long time
Seem like a long time, seem like a long, long time
Sometimes it seems like a long time, seems like a long time
Seems like a long, long time
Yes it does, a long, long timeYou know what it's like to wish good times would come
And don't it seem like a long time
Seem like a long time, seem like a long, long time
Sometimes it seems like a long time, seems like a long time
Seems like a long, long time
Yes it does, a long, long timeWar time is only the other side of peace time
But if you've ever seen how wars are won
You know what it's like to wish that peace would come
And don't it seem like a long time
Seem like a long time, seem like a long, seem like a long, long time
Sometimes it seems like a long time, seems like a very long time
Seems like a long, long time
Sometimes it seems like a long time, seems like a long time
Seems like a long, long time
Yes it does, a long, long time
Yes it does, a long, long time
Yes it does, a long, long time
