Good As You

Kane Brown

[Verse 1]
See the way you're taking care of your Mama
The way you're taking care of me
The way light up any room, girl
You're what this world should be[Pre-Chorus]
Tomorrow, tonight, the rest of my life
I wanna be the man you want me to be
So stop right now, girl, tell me everything you need[Chorus]
I just wanna wake up everyday here in this bed
Never leave 'I love you' left unsaid
It might take a hundred lifetimes to do
But baby, i just wanna be good as you
[Verse 2]
Girl, you're more than just the surface
Yeah, you got that heart of gold (heart of gold)
So when it comes to loving you, baby
No, it will never get old[Pre-Chorus]
Tomorrow, tonight, the rest of my life
I wanna be the man you want me to be
So stop right now, girl, tell me everything you need[Chorus]
I just wanna wake up everyday here in this bed
Never leave 'I love you' left unsaid
It might take a hundred lifetimes to do (lifetimes to do)
But baby, i just wanna be good as you
Good as you, baby[Guitar Solo]
[Chorus]
I just wanna wake up everyday here in this bed
Never leave I love you left unsaid
In my take a hundred lifetimes to do
But baby, i just wanna be good as you
I just wanna wake up everyday here in this bed (here with you, baby)
Never leave I love you left unsaid (never leave it unsaid)
It might take a hundred lifetimes to do (a hundred lifetimes to do)
But baby, I just wanna be good as you
Baby, i just wanna be good as you
