

Welcome to Burlesque

[Cher](#)

Show a little more, show a little less
Add a little smoke, welcome to Burlesque
Everything you dream of but never can possess
Nothing's what it seems, welcome to Burlesque Oh, everyone is buying, put your money in my hand
If you got a little extra, well, give it to the band You may not be guilty but you're ready to confess
Tell me what you need, welcome to Burlesque You can dream of Coco and do it at your risk
The triplets grant you mercy but not your every wish
Jessie keeps you guessing, so cool and statuesque
Behave yourself says Georgia, welcome to Burlesque Oh, everyone is buying, put your money in my hand
If you wanna a little extra, well, you know where I am Something very dark is playing on your mind
There's nothing in the days, it's just the bump and grind
Show a little more, show a little less
Add a little smoke, welcome to Burlesque
