

Body Hammer (Colin Richardson)

Fear Factory

I clench my teeth and realize
My world is so near its demise
A dying sun in a poisonous sky
Stinging my eyes
Burning with contempt and conflictAs of now
I am a tool
Of severe impactI clench my fist and visualize
The blood that is spilled is our own
I open wide my bloodshot eyes
Count the dead
A result of dysfunctionAs of now
I am a tool
Of severe impact
Hammer down
Cause and effect
And create a new worldPound, drive, swing, strike
Break down, smash down
Pound and drive, swing and strike
Break it down
I am a toolAs of now
I am a tool
Of severe impact
Hammer down
Cause and effect
And create a new worldI am a tool
I am a tool to break down
Break it down and smash it all away
