

# Uncharted

Sara Bareilles

No words  
My tears won't make any room for 'em, oh  
And it don't hurt  
Like anything I've ever felt before This is no broken heart  
No familiar scars  
This territory goes uncharted Just me  
In a room sunk down in a house in a town  
And I don't breathe  
Though I never meant to let it get away from me Now I have too much to hold  
Everybody has to get their hands on gold  
And I want uncharted Stuck under the ceiling  
I made, I can't help the feeling I'm going down  
Follow if you want, I won't just hang around  
Like you'll show me where to go I'm already out  
Of foolproof ideas so don't ask me how  
To get started  
It's all uncharted Each day  
I'm countin' up the minutes 'til I get alone  
'Cause I can't stay  
In the middle of it all, it's nobody's fault But I'm so low  
Never knew so much I didn't know  
Oh, everything is uncharted I know I'm getting nowhere  
When I only sit and stare like I'm going down  
Follow if you want, I won't just hang around  
Like you'll show me where to go I'm already out  
Of foolproof ideas so don't ask me how  
To get started  
It's all uncharted Jump start my kaleidoscope heart  
I love to watch the colors fade  
They may not make sense  
But they sure as hell made me I won't go as a passenger, no  
Waiting for the road to be laid  
Though I may be going down  
I'll take in flame over burning out Compare  
Where you are to where you wanna be  
And you'll get nowhere I'm going down  
Follow if you want, I won't just hang around  
Like you'll show me where to go I'm already out  
Of foolproof ideas so don't ask me how

To get started I'm going down  
Follow if you want, I won't just hang around  
Like you'll show me where to go I'm already out  
Of foolproof ideas so don't ask me how  
To get started  
It's all uncharted
