Vertigo Flowers

Nothing

And I hate
Everything you're saying
Anxiety
It's all about meWatch out for those
Who dare to say
That everything
Will be okay
Watch out for those
Who want to be
Anything at allAnd I hate
Everything you're saying
Anxiety
It's all about meWatch out for those
Who dare to say
That everything
Will be okay
Watch out for those
Who want to be
Anything at all
