I Do Remember You

Emma Forman

I'm so sorry I said the things I said
I didn't want to risk breaking something as beautiful as you
I remember dancing that night with you
I remember looking into those eyes and losing all the sense in me
and losing all the sense in meYou should know, I'm in love with you
Yeah you should know I'm love with you
Yeah you should know I'm love with you
Yeah you should know
I do remember youYou asked me not to break your heart but I did
And I'm so sorry for all that
Oh I'm so sorry cos I broke my own heart
when I broke yoursAnd You should know, I'm in love with you
Yeah you should know, I'm love with you
Yeah you should know, I'm love with you
Yeah you should know
I do remember you, yeah you should know
I do remember you, yeah you should know
I want you to know that I remember you
