Love Bath

Smokey Robinson

Let's Take a love bath baby
take a love bath baby
take a love bath baby
let's take a love bath baby
Put some water in the tub and do the body rub
Touchin...
Close as can be, i'm touchin you... youre touchin me
lets take a love bath baby
take a love bath baby
take a love bath baby
lets take a love bath baby
Hot! As a love can be
We got! all the time we need
I- E, dont want to end this night
soft candlelight, everythings right
lets take a love bath baby

take a love bath baby
take a love bath baby
lets take a love bath baby
(instrumental)
you, what a wonderful sight
all wet glowin' in the candlelight
i want to stay here forever
i want to see, if you can take all of me
let's take a love bath baby
take a love bath bab
take a love bath baby
lets take a love bath baby
(repeat in signature falsetto end fade)

The Duke Sings Motown was here :)
