

Grace Changes Everything (feat. Lee Simon Brown)

Victory Worship

From darkness to light
From death into life
His grace changes everything From broken to whole
Stained to whiter than snow
His grace changes everything
His grace changes everything There's no sin too great
There's no pain too deep
The cross declares it is done
There's no shame too real
That His love won't heal
Forever the victory is won
He has broken the chains
He has conquered the grave
His grace changes everything
By the power of His blood
We are daughters and sons
His grace changes everything
His grace changes everything There's no sin too great
There's no pain too deep
The cross declares it is done
There's no shame too real
That His love won't heal
Forever the victory is won. There's no sin too great
There's no pain too deep
The cross declares it is done
There's no shame too real
That His love won't heal
Forever the victory is won.
It is finished
It is finished
The victory is won. There's no sin too great
There's no pain too deep
The cross declares it is done
There's no shame too real
That His love won't heal
Forever the victory is won. There's no sin too great
There's no pain too deep
The cross declares it is done
There's no shame too real

That His love won't heal
Forever the victory is won.Forever the victory is won.
Forever the victory is won.There's no sin too great
There's no pain too deep
The cross declares it is done
There's no shame too real
That His love won't heal
Forever the victory is won.Forever the victory is won.
Forever the victory is won.
