Mayday

Gamma

You're down in a dark pool
Of doubt and confusion
But you're gonna have to carry on
Til you come to the conclusion
There ain't no way
You're gonna slip it off
Grab it with both hands
And rip it offMayday
Don't carry nothin'
That'll drag you down
Mayday
Don't drown
Miles away from anything
And running out of power
But remember what they say
About the darkest hour
You'll never really know
Who might be
Send out your signal
Loud and clearMayday
Don't carry nothin'
That'll drag you down
Mayday
Don't drown
Mayday
Mayday
Mayday
Mayday
(Repeat ...)
