

Make Yours A Happy Home

Gladys Knight & The Pips

You're just smiling this morning
All of your love is wishing you well
Your tears made you swell
So make yours a happy homeOoh, with the love at sight
I got a happy crowd
All on my will, has made me a way
I've got love today
So just make yours a happy, happy homeI wanna do you right
You love me out of sight
I wanna be what pleases you
So long is there is peace with you
That's all I can doSo let us make yours a happy, happy home
Make yours a happy homeDo-do-do
We can do it, we can do it, we can do it now, baby
Do-do-do, aaah, yeahI get full of pride and so sanctified
You don't have to be for me
No superstarI love you just the way you are
So won't you make yours a happy home
Make yours a happy homeI wanna do you right, love me out of sight
I wanna be what pleases you
So long is there is peace with you
That's all I can doSo let us make yours a happy, happy home
Make yours a happy home
Do-do-do
We can do itUh, We can do it now, baby
Do-do-do
Ay-ay-ay, yeahAh, yeah, with the love at sight
I got a happy crowd
All on my will, has made me a wayI've got love today
So just make yours a happy home
Make yours a happy homeDo-do-do-do
We can do it, uh, we can do it now, baby
Do-do-do-do
Yeah-eh, yeah-ah-yeahI get full of pride and so sanctified
You don't have to be for me
No superstarI love you just the way you are
So won't you make yours a happy home
Make yours a happy homeOoh baby, we can make it
Ooh baby, we can make it

Ooh baby, we can make it
