

Hollow

Matthew Sweet

Capture the spirit of adversity
Be sure to put the lid on tight and watch it carefully
Sew shut the mouth of the river slut
The entrance to a place discussed but hardly there for you(Hollow)
An evil bigger than you could know
(Hollow)
Has taken root
Rapture so what do you care
You know if it was up to me I'd take you anywhere(Hollow)
An evil bigger than you could know
(Hollow)
An evil bigger than you could know(Hollow)
An evil bigger than you could know
(Hollow)
Has taken root(Hollow)
An evil bigger than you could know
(Hollow)
An evil bigger than you could know(Hollow)
An evil bigger than you could know
(Hollow)
Has taken root, has taken root, has taken root
Has taken root, has taken root, has taken root
