

# He Will Carry Me

Mark Schultz

I call, You hear me  
I've lost it all  
And it's more than I can bear  
I feel so empty You're strong, I'm weary  
I'm holding on  
But I feel like giving in  
But still You're with me (Pre-chorus and Chorus)  
And even though I'm walking  
Through the valley of the shadow  
I will hold tight to the hand of Him  
Whose love will comfort me  
And when all hope is gone  
And I've been wounded in the battle  
He is all the strength that I will ever need  
He will carry me I know I'm broken  
But You alone  
Can mend this heart of mine  
You're always with me And even though I'm walking  
Through the valley of the shadow  
I will hold tight to the hand of Him  
Whose love will comfort me  
And when all hope is gone  
And I've been wounded in the battle  
He is all the strength that I will ever need  
He will carry me  
He will carry me (Bridge)  
And even though I feel so lonely  
Like I have never been before  
You never said it would be easy  
But You said You'd see me through the storm And even though I'm walking  
Through the valley of the shadow  
I will hold tight to the hand of Him  
Whose love will comfort me  
And when all hope is gone  
And I've been wounded in the battle  
He is all the strength that I will ever need  
He will carry me  
He will carry me  
He will carry me
