

# Nightlife

## Avant

Something tells me that you were rebelling  
Although we know you have to slip away  
Part of your routine, repeating the same thing  
(No sleep, just sweat, no rest)(Have my life)  
You are my vice and you got my control  
(You make it right)  
Always a surprise, the way it unfolds I know I'm not the only one you love, boo  
The other half of the world is missing you  
Open the bars, show in the stars  
Roll out the fancy car(Nightlife)  
When you roll back in town  
And the sun goes down and I buy another round(Nightlife)  
Where the girls come in pairs  
Pressure's so thick, you can feel it in the air(Nightlife)  
It's getting late  
Last call but I don't care I'm ready to go  
(No)  
It's out of control  
(Oh)  
That's why I'm married to  
(The nightlife)Wakin' up late with you on my mind  
Don't know what happened to me yesterday  
Shake it off 'cause you put it on me  
I don't wanna loose so I guess I'm ready for round two  
(I'm so involved when it comes to you)  
No sleep, just sweat, no rest(Have my life)  
You are my vice and you got my control  
(You make it right)  
Always a surprise, the way it unfolds You bring out the talent with everything you do  
And nothing compares, that's why I'm indebted to you  
Open the bars, show in the stars  
Bring out the fancy cars(Nightlife)  
When you roll back in town  
And the sun goes down and I buy another round(Nightlife)  
Where the girls come in pairs  
And the pressure gets thick, you can feel it in the air(Nightlife)  
It's getting late  
Last call but I don't care I'm ready to go  
(No)

It's out of control  
(Oh)  
That's why I'm married to  
(The nightlife) Dark and sweet, mysterious yet hard to keep a hold of  
Cold, innocent and deadly  
(On)  
So skilled, faithful, loyal, help me escape my troubles  
Romantic, onned and ready, another secret affair till dawn(Nightlife)  
When you roll back in town  
The sun goes down and I buy another round(Nightlife)  
Where the girls come in pairs  
The pressure gets thick, you can feel it in the air(Nightlife)  
It's getting late  
Last call but I don't care I'm ready to go  
(No)  
It's out of control  
(Oh)  
That's why I'm married to  
(Nightlife)
