Kuedon (Obsession)

Bang La Decks

What is this obsession I have for you
it's not love or lust
I'll watch you daily I'll watch you go to bed,
I'll watch you wake up, I'll watch you over time

I will never understand why you left me
all I think about is you

What is this obsession I have for you
it's not love

Kuedon

What is this obsession I have for you
it's not love or lust
I'll watch you daily I'll watch you go to bed,
I'll watch you wake up, I'll watch you over time

I will never understand why you left me
all I think about is you

What is this obsession I have for you
it's not love

Kuedon

It's not love
