

# After Tonight

## Mariah Carey

I look at you looking at me  
Feels like a feeling meant to be  
And as your body moves with mine  
It's like I'm lifted out of time And time again  
Patiently I've waited for this  
Moment to arrive After tonight  
Will you remember how sweet and tenderly  
You reached for me and pulled me closer? After you go  
Will you return to love me  
After tonight begins to fade I feel your touch caressing me  
This feeling's are all I'll ever need  
With every kiss from your sweet lips  
It's like I'm drifting out of time Alone will tell  
If you feel the way I feel  
When I look in your eyes After tonight  
Will you remember how sweet and tenderly  
You reached for me and pulled me closer? After you go  
Will you return to love me  
After the night becomes the day Time and time and time again  
So patiently I've waited for this  
Moment to arrive After tonight  
Will you remember how sweet and tenderly  
You reached for me and pulled me closer? After you go  
Baby will you return to love me  
After the night becomes the day  
After tonight begins to fade After all that have done  
When the morning comes  
After tonight begins to fade
