Without You (feat. Bryan Adams)

Tina Turner

(P. Wilson, A. Watkins, S. May)
Producer: Absolute
Album: Twenty Four Seven (99)I'm feeling low, I tear out my hair
Walking 'round in circles like I don't care
One shoe off, the other one on
Cause I threw the damn shoe the night that you were gone
I'm in the mood, I'm in such a mess
My heart is broken and I'm in distress
Don't want to eat, don't want to sleep
'Cause I'm thinking 'bout the dirty way you treated me
I'm in no mood for company
You see I just don't want your pity'Cause I call your name to drive me insane
And I feel the need to make my heart bleed
And baby I don't know why I'm drowning in tears
'Cause I don't want to die
So I find myself another way to learn to live another day
Without you yeahLooking down at the way I get dressed
I need to know is that why you left
My face is sweet but my head is wrecked
By the things that you said on the night you left
You can keep your sympathy
Because I just don't want your pity'Cause I call your name to drive me insane
And I feel the need to make my heart bleed
And baby I don't know why I'm drowning in tears
'Cause I don't want to die
So I find myself another way to learn to live another day
Without youYeah yeah yeah yeah
I can live without you, I'm telling you girl now
I can live without you, can you hear meYou know you can keep your sympathy
Because I just don't want your pity'Cause I call your name to drive me insane
And I feel the need to make my heart bleed
And baby I don't know why I'm drowning in tears
'Cause I don't want to die
So I find myself another way to learn to live another day
Without you babyI call your name (I call your name) to drive you insane (to drive me insane)
'Cause I feel the need ('cause I feel the need) to make my heart bleed (to make my heart bleed)
And baby I don't know why I'm drowning in tears
'Cause I don't want to die
So I find myself another way to learn to live another day

Without you baby
