Party Slumbering

Christa Larson

You and me and Minnie Mouse, we call it party slumbering
Come on over to my house, the phone won't get a chance to ring
Bring your pillow and all your favorite dress up clothes
Mommy's high heels, fill our hair with pretty bows
Go get pajamas and don't forget your diary

You and me and Minnie Mouse, tell you where we're gonna meet
Six o'clock at my house, bring something that's good to eat
On the TV, a late night scary mystery
Tell a story, as long as it'll frighten me
Go get pajamas and don't forget your diary

You and me and Minnie Mouse, Minnie Mouse, Minnie Mouse
You and me and Minnie Mouse, Minnie Mouse, Minnie Mouse

Bring your pillow and all your favorite dress up clothes
Mommy's high heels, fill our hair with pretty bows
Go get pajamas and don't forget your diary

You and me and Minnie Mouse, Minnie Mouse, Minnie Mouse
You and me and Minnie Mouse, Minnie Mouse, Minnie Mouse
You and me and Minnie Mouse, Minnie Mouse, Minnie Mouse
You and me and Minnie Mouse, Minnie Mouse, Minnie Mouse
