My First Day Alone (LP Version)

The Cascades

here comes the morning sun
It's another day
But today I'm on my own
It's my first day alone
It's my first day aloneWhy did I lose my love
Mine till yesterday
Lose the only love I've known
It's my first day alone
It's my first day alone
I can live without so many things
They're so unimportant to me
But I can live without a love that's everything
I'll have to wait and see
I know I'll see the sun
Bring me other days
But will I be so on my own
As my first day alone
This my first day aloneThis my first day alone
