

# Change of Heart (Rakamonie Remix) (MASTER)

## El Perro del Mar

Her hand in the darkness  
I follow for so long  
your voice in my ear  
carry me back home  
wishing you'd consider  
a change of heart  
but all are so bitter  
and we will never stop  
we will never stop (x4)A light in the darkness  
been dreaming for so long  
searching for a witness  
or means to carry on  
sweet talk for hours  
'bout things we're gonna' do  
and sometimes I lose track of my heart  
but this could never work out oh ohhNever stop  
we will never stop (x3)We will never stop (x4)
