

# Hard Man To Love

Kevin Fowler

The phone call in the middle of the night, it never came  
She's been walkin' on pins and needles  
Waitin' for the phone to ring  
To put her mind at ease  
The suns' comin' up and I'm comin' in  
With another, "I'm sorry, it won't happen again"  
I can't understand why she never ran  
When anybody in their right mind would  
Yeah, I'm a hard man to love  
But thank God she does  
Keep holdin' on, bein' strong  
When, "I'm sorry" just ain't enough  
Soft as silk she stands  
By her barbed wire man  
She's never given up  
I'm a hard man to love  
There's a dog house rose that God knows  
I didn't send soon enough  
Sittin' in the middle of a crippled kitchen table  
Barely standing up from where I kicked it once  
It ain't pretty enough to make up for me messin' up  
The only love a man could ever need  
She shines forgiveness from her patient eyes  
I don't see what they see in me  
Yeah, I'm a hard man to love  
But thank God she does  
Keep holdin' on, bein' strong  
When, "I'm sorry" just ain't enough  
Soft as silk she stands  
By her barbed wire man  
She's never given up  
I'm a hard man to love  
But I found someone tough enough  
To love a man like me  
In spite of the tears she's cried  
And the time she's tried so hard to love  
This hard man to love  
But thank God she does  
Keep holdin' on, bein' strong

When, "I'm sorry" just ain't enough  
Soft as silk she stands  
By her barbed wire man  
She's never given up  
I'm a hard man to love  
No she's never given up  
On this hard man to love
