Dangerous Type

Letters to Cleo

Can I touch you, are you out of touch
I guess I'll never noticed that much
Geranium lover, I'm live on your wire
Come and take me whoever you areShe's a lot like you
The dangerous type
She's a lot like you
Come on and hold me tightInside angel, always upset
Keeps on forgetting that we ever met
Can I bring you out in the light
My curiosity's got me tonightShe's a lot like you
The dangerous type
She's a lot like you
Come on and hold me tightThe museum directors with high shaking heads
They kick white shadows until they play dead
They want to crack your crossword smile
Can I take you out for a while, yeah, yeah yeah yeahShe's a lot like you
The dangerous type
She's a lot like you
Come on and hold me tight tonightShe's a lot like you
The dangerous type
She's a lot like you
Come on and hold me tight tonightShe's a lot like you
The dangerous type
She's a lot like you
Come on and hold me tight tonightShe's a lot like you, she's a lot like you
Come on and hold me tight tonight
She's a lot like you
The dangerous type
She's a lot like you
