

# We All Float

## Hooverphonic

The wind is telling stories about us  
Writing words with sand and powder dust  
Deserted squares and lonesome trees  
The wind revealing stories about us Fall is telling stories about us  
Writing words with leaves and powder dust  
Multi-coloured lanes of trees  
Mesmerising stories about us We all float  
Clouds of gold  
The mountains make the sun arise  
Your rainbow coloured eyes can change the tide We all float  
Clouds of gold  
The mountains make the sun arise  
Your rainbow coloured eyes can change the tide The river telling stories about us  
Writing words with water full of lust  
Yellow purple green or blue  
Drip by drip revealing things on you We all float  
Clouds of gold  
The mountains make the sun arise  
Your rainbow coloured eyes can change the tide We all float  
Clouds of gold  
The mountains make the sun arise  
Your rainbow coloured eyes can change the tide Mountains make the sun arise  
Your rainbow coloured eyes can change the tide
