

# I Love College (Prod. Mike Caren & Ben Allen)

## Asher Roth

I'm nice right now, I, I feel good  
If you have a drink  
Would you please put it in the air That party last night was awfully crazy  
I wish we taped it  
I danced my ass off and had this one girl completely naked  
Drink my beer and smoke my weed  
But my good friends is all I need  
Pass out at three wake up at ten  
Go out to eat then do it again I wanna go to college for the rest of my life  
Sip bankers club and drink miller lite  
On thirsty Thursday and Tuesday night ice  
And I can get pizza a dollar a slice  
So fill up my cup  
Lets get fucked up  
I'm next on the table  
Who want what  
I am champion at beer pong  
Allen Iverson Hakeem Olajuwon  
Don't even bounce, not in my house  
Better hope you make it  
Otherwise you naked Time isn't wasted when you're getting wasted  
Woke up today and all I could say is That party last night was awfully crazy I wish we taped it  
I danced my ass off and had this one girl completely naked  
Drink my beer and smoke my weed  
But my good friends is all I need  
Pass out at three wake up at ten  
Go out to eat then do it again Man I love college (hey) and I love drinking (hey)  
I love women (hey) man I love college I can't tell you what I learned from school  
But I could tell you a story or two  
Um yea of course I learned some rules  
Like don't pass out with your shoes on  
And don't leave the house till the booze gone  
And don't have sex if shes too gone  
When it comes to condoms put two on  
Then tomorrow night find a new joint  
Hold the beer bong  
Nothing wrong with some fun  
Even if we did get a little bit too drunk Time isn't wasted when you're getting wasted  
Woke up today and all I could say is That party last night was awfully crazy I wish we taped it

I danced my ass off and had this one girl completely naked  
Drink my beer and smoke my weed  
But my good friends is all I need  
Pass out at three wake up at ten  
Go out to eat then do it again Man I love college (hey) and I love drinking (hey)  
I love women (hey) I love college Now if everybody would please  
Put their drink as high as they can  
As high as they can  
And repeat after me Chug chug chug chug chug chug chug chug Freshman freshman freshman freshman Do  
something crazy do something crazy do something crazy do something crazy Keg-stand keg-stand keg-stand keg-  
stand Yea, that party last night  
Man I love college, I love it  
That party last night  
Goodnight everybody I gotta head back to class for a little bit That party last night was awfully crazy, I wish we  
taped it  
I danced my ass off and had this one girl completely naked  
Drink my beer and smoke my weed  
But my good friends is all I need  
Pass out at three wake up at ten  
Go out to eat then do it again man I love college  
Do I really have to graduate or can I just stay here for the rest of my life
