Cookin dope in dirty house in my damn tea pots
Sellin dope in throws a tree and I ain't never re-route
Niggas bust some heads so pull it a couple stone

Gave you my kids and they blamin you for extra though
Gave you my kids but I gave em all you twank you though

[Hook:]

Hood bitch state that she the shit but you ain't rich
You's a thirsty ass, thirsty ass, thirsty ass ho
Thirsty ass, thirsty ass, thirsty ass ho
She a hood bitch, on the dream suck a rich mad
If you got mo babies than the motherfuckin trap
You's a thirsty ass, thirsty ass, thirsty ass ho

[Verse 2:]

I had this fine bitch with me but she thirsty dawg
In the Maybach with me, opened up my conscience dawg
Baby you fine but you ridin with me is a no touch clause
And this yo second violation cause you wove your clause
Dirty Sprite, codeine, baby step your game up
If your boyfriend broke, don't bring my name up
If you keep suckin dick like that you don't get famous
Man this ho so thirsty got a signed disclaimer
I had a girl go to spear me was a good good brain
At first she wasn't good so I had the crane
I had to pull ruga in, she was her personal trainer
I try to marry in the family just to get this cocaine up
And the Charger cost 100, that's a whole nother lane
I'm in the T back cop 100 bitch to step up yo game
I'm in your Bentley, spend 400 bitch a whole nother lane
It's Guwap AKA bitch it's Big Gucci Mane, gwap

[Hook:]
Grown bitch threw up in the hood, eat fish sticks
Hood bitch state that she the shit but you ain't rich
You's a thirsty ass, thirsty ass, thirsty ass ho
Thirsty ass, thirsty ass, thirsty ass ho
She a hood bitch, on the dream suck a rich mad
If you got mo babies than the motherfuckin trap
You's a thirsty ass, thirsty ass, thirsty ass ho
