Spectacular

Kiely Williams

Last night I was drunk
I don't remember much
But what I do constant pictures
That's how gone I was
But he was tall and he was buying
So I gave him a trying
Said he was built like a stallion
And the man wasn't lyingLast I remember I was face down
Ass up, clothes off, broke off, dozed off
Even though I'm not sure of his name
He could get it again if he wanted
Cause the sex was spectacular
The sex was spectacular (yeaaah)
The sex was spectacular
The sex was spectacularSo it was the morning after
I couldn't get home faster
Doing the walk of shame
In the same clothes from yesterday
I think he pulled a track out
When he was blowing my back out
What was I drinking
I can't believe I blacked outLast I remember I was face down
Ass up, clothes off, broke off, dozed off
Even though I'm not sure of his name
He could get it again if he wanted
Cause the sex was spectacular
The sex was spectacular (yeaaah)
The sex was spectacular
The sex was spectacularYou can say what you want but
You can call me a slut but
What he did to me last night felt so good
I must have been on drugs
I hope he used a rubber
Or I'mma be in trouble
Promise I don't remember
Except for rolling over
Give it to me, give it to me
Ooh baby what a ride ride
Oh ride ride

So smooth like it beats
I like the heat
Ooh baby what a night night
Right rightCause the sex was spectacular
The sex was spectacular (yeaaah)
The sex was spectacular
The sex was spectacular
