

# Standing in Blood

## Nocturnus

Now heaven is destroyed  
By Satan  
He will rule  
The promised land  
Now your soul will be freed Through the gate  
Find the KEY  
To hell  
Cross the river  
Known as Styx  
Charon awaits  
In his boat  
Now your soul will be freed  
Through the gate  
Find the seven  
Keys to hell  
Cross the river  
Known as Styx  
Kneel before Lucifer's throne  
{Chorus 2 Times}  
Jesus wept-Standing in Blood  
Praying to die -Standing in Blood
