

Hey Ho Wish You Well

Slade

Hey ho wish you well, wish you well, wish you well...

Hey ho wish you well, wish you well...

Hey ho wish you well

Everybody wanna yell

High fly touch the sky

Over the moon

Here there everywhere

Any grumble going spare

High fly touch the sky

Over the moon

Over the moon

Mad dogs and Englishmen

Going out in the midday sun

Come on and join the fun

Do you know what I mean

Are you a ladies man

Gypsies kiss in a caravan

Drinking the black and tan

Do you know what I mean

Hey ho wish you well

Everybody wanna yell

High fly touch the sky

Over the moon

Here there everywhere

Any grumble going spare

High fly touch the sky

Over the moon

Over the moon

Turn on your Dictaphone

Take your secretary home

Break down in a parking zone

Do you know what I mean

Riff raff I need a bath

Try and look good on a photograph

I'm on a crazy path

Do you know what I mean

Hey ho wish you well

Everybody wanna yell

High fly touch the sky
Over the moon
Here there everywhere
Any grumble going spare
High fly touch the sky
Over the moon
Over the moon
Mad dogs and Englishmen
Going out in the midday sun
Too hot to jump the gun
Do you know what I mean
Are you a ladies man
Gypsies kiss in a caravan
Drinking the black and tan
Do you know what I mean
Hey ho wish you well
Everybody wanna yell
High fly touch the sky
Over the moon
Here there everywhere
Any grumble going spare
High fly nice and high
Over the moon
Hey ho wish you well
Hey ho wish you well
Hey ho wish you well
Hey ho wish you well
Hey ho wish you well
Hey ho wish you well
Hey ho wish you well
Hey ho wish you well
Hey ho wish you well
Hey ho wish you well...
