

Hello It's Me (feat. Todd Rundgren)

[Nazz](#)

Hello, it's me, I've thought about us for a long, long time
Maybe I think too much but some thing's wrong
There's something here that doesn't last too long
Maybe I shouldn't think of you as mine
Seeing you or seeing anything as much as I do
I take for granted that you're always there
I take for granted that you just don't care
Sometimes I can't help seeing all the way through
It's important to me that you know you are free
'Cause I never wanna make you change for me
Think of me, you know that I'd be with you if I could
I'll come around to see you once in a while
Or if I ever need a reason to smile
And spend the night if you think I should
It's important to me that you know you are free
'Cause I never wanna make you change for me
Think of me, you know that I'd be with you if I could
I'll come around to see you once in a while
Or if I ever need a reason to smile
And spend the night if you think I should
Sometimes I thought it wasn't so bad
Sometimes I thought it wasn't so bad
