I Will Go

Jim Adkins

I will go
I will go
And march out from this grave
From below
From below
I feel thier feet dacing
The paralizing truth
I am what i will choose
What am i if im done waiting for you
You alone
You alone
You know how deep i sink
Ill let go
Ill let go
Just say thats what you mean
The paralizing truth
I am what i will chose
What am i if im done waiting for you
The paralizing truth
I am what i will chose
What am i if im done waiting for you
The paralizing truth
I am what i will chose
What am i if im done waiting for you
