

Hey Baby

Ted Nugent

Hey baby, tell me why you're hangin' 'round
Ain't got time for kissin' I'm too busy messin' in this town
All you pretty women, you're so far and in between
I don't need no fancy types I need the ones that's clean
Hey baby, jump into the back of my Ford
I'm gonna give you a ride baby, you never could afford

Hey baby

Hey baby

So

Follow me down to my house baby, I'll show you the real love game.

Yes I will

Hey baby, jump into the back of my car
I'm gonna hug and kiss you baby, I'm gonna steal your heart
All you pretty women, you're so far and in between
I don't need no fancy types I need the ones that's clean
Hey baby, I don't want you hangin' 'round
I ain't got time for kissin' I'm too busy steppin' in this town

Hey baby

Hey baby

So

Follow me down to my house baby, I'll show you the real love game.

You know what I'm talkin about baby

Here we go

Hey baby, tell me why you're hangin' 'round
Ain't got time for anything steady, I'm too busy runnin' 'round
All you pretty women, you're so far and in between
I don't need no fancy types I need the ones that's clean
Hey baby, jump into the back of my car
I'm gonna give you love babe that's gonna steal your heart

Hey baby

oooooooooh

Hey baby

I wantcha to

Follow me down to my house baby

I'll show you the real love game.

Love game

Love game
