Lights Bring Salvation

Emmure

Wake up
The nightmares over now
There coming from the clouds
To save us from ourselvesWake up
The nightmares over now
There coming from the clouds
To save us from ourselvesWake up, wake up, wake up
Wake the fuck upWho the fuck you gonna call
When morning star begins to fall?
Who the fuck you gonna call
When morning star begins to fall?Wake up
The nightmares over now
There coming from the clouds
To save us from ourselvesWho the fuck you gonna call
When morning star begins to fall?
Who the fuck you gonna call
When morning star begins to fall?Wake up, wake up
Who the fuck you gonna call
When morning star begins to fall?
Wake up
Who the fuck you gonna call
When morning star begins to fall?
