Get Good

Vanessa Carlton

Are the echos coming back to you?
Is wisdom seeing patterns on a loom
Like a blanket around you?
You were weaving colors when I saw you.
Put your velvet on the moonlight,
Or have you lost your constellation eyes?
Well, you could give it time.
I wish I could be there, wish I could make it right.
Don't you worry; you'll soon be on the mend.
That's no trick, that flicker of radiance.
And you'll feel lucky, darlin', I'm sure of it.
You'll figure it out and get good again.
Na, na, na, na, na.
Na na, na, na, na, na, na.
Stone wall running hills of green;
A golden, dusted, dandelion scene;
A powder soft, serene,
Oh, it's been so long since powder soft, serene.
Yeah, it's been so long.
But don't you worry; you'll soon be on the mend.
That's no trick, that flicker of radiance.
You'll feel lucky, darlin', I promise you this:
You'll figure it out and get good again.

Na, na, na, na,na.
Na na, na, na, na, na, na.
You said you don't know how; you don't feel free.
No, it's not you, but I know what you mean.
I want to thank you for being so good to me.
Yeah I just wanted you to know.
Are the echoes coming back to you?
Is wisdom seeing patterns on a loom
Like a blanket around you?
We'll look out for each other,
Yeah I'll look out for you.
We'll look out for each other.
Don't you worry; you'll soon be on the mend.
That's no trick, that flicker of radiance.
You'll feel lucky darlin', I'm sure of it.

You'll figure it out, yeah, we'll get good again.
Love, figure it out and then we'll get good again.
Love, figure it out get good again.
Na, na, na, na, na,
Na, na, na, na, na, in a dream.
A dandelion field in a dream.
Dandelion fields in a dream.
