Worst Thing

Sebadoh

Ill have to think about it
Its what she said to me
Ill have to think about it
All the time in the world to beWhen I sleep I dream about it
I chew it when I eat
After something I cant explain
The courts adjourned in the big debateThe way you are
Thats the worst thing you could do
Dont you know thats the worst thing?Fantasy land, come dig my art
Im just rehearsingIll have to think about it
Its what she said to me
When you leave behind all the guts it takes
Who will you be?The way you are
Thats the worst thing you could do
Dont you know thats the worst thing?
