

# Get It Together

Bryan White

One shot to your heart without breaking your skin  
No one has the power to hurt you like your kin  
Kept it inside, didn't tell no one else  
Didn't even want to admit it to yourself  
And now your chest burns and your back aches  
From 15 years of holding the pain  
And now you only have yourself to blame  
If you continue to live this way

[Chorus]

Get it together  
You want to heal your body  
You have to heal your heart  
Whatsoever you sow you will reap  
Get it together

You can fly fly

Dark future ahead of me  
That's what they say  
I'd be starving if I ate all the lies they fed  
Cause I've been redeemed from your anguish and pain  
A miracle child I'm floating on a cloud  
Cause the words that come from your mouth  
You're the first to hear  
Speak words of beauty and you will be there  
No matter what anybody says  
What matters most is what you think of yourself

[Chorus]

The choice is yours  
No matter what it is  
To choose life is to choose to forgive  
You don't have to try  
To hurt him and break his pride  
To shake that weight off  
And you will be ready to fly

One shot to your heart without breaking your skin

No one has the power to hurt you like your friends  
Thought it will never change but this time moved on  
An ugly duckling grew up to be a swan  
And now your chest burns and your back aches  
Because now the years are showing up on your face  
But you're never be happy  
And you'll never be whole  
Until you see the beauty in growing old

[Chorus]
