The Sun Rising (Breakage Suicidal Edit)

The Beloved

Movement, outside, silence inside,
Restless lover, spread your wings as the day begins.It's just the sun rising.
It's just the sun rising.
It's shining.
It's just the sun rising.
It's just the sun rising.Oh...Learn to love your secret life, your still calm and gentle life.
Your resolution comes too fast, now the night is past.It's just the sun rising.
It's just the sun rising.
It's shining.
It's just the sun rising.
It's just the sun rising.Ahhh...Smiling, gliding, breathless, you're riding.
Love is just a state of mind that we leave behind.It's just the sun rising.
It's just the sun rising.
It's shining.
It's just the sun rising.
It's just the sun rising.Chicka, chickaaahhh...Let yourself go.It's just the sun rising.
It's just the sun rising.
It's shining.
It's just the sun rising.
It's just the sun rising.It's shining.It's just the sun rising.
It's just the sun rising.
It's shining.
It's just the sun rising.
It's just the sun rising.Life, life.
Life, life.
Life, life.
Life, life.
(Shining...)
Life, life.
(Shining...)
It's just the sun rising.
(Rising.)
It's rising...
