

Get Stupid

Aston Merrygold

Don't bring that bad day with ya
Leave it at the door
It's a cold-blooded killer
Take it out for sure
Take a look at it nine-to-five (All right!)
That's what we gon' do (Woo!) (Yeah!)Let's not complicate it
Trouble waking
What's the point if you can celebrate?
Let the good times multiply
Just me and you
YeahGonna tell ya now
Let me tell ya now
Let me tell ya now
Wow!Here's an invitation to the whole wide world
From your brother to your sister to your best friend's girl
Can't excuse it (Oh!)
No excuses (Oh!)
Everybody get stupidUnpredictable and ready
Never stuck and steady
Once you get it, then you won't let go
Don't call it foolish (Yeah!)
I say it's cool-ish (Yeah!)
Everybody get stupid
(Everybody get stupid)
(Everybody get funkyng stupid)MJ Thriller
Outta control
Keep 'em guessing like Riddler
Edward Nygma
But it's not that hard to find
It's all about you (Yeah!)Let's not complicate it
Trouble waking
What's the point if you can celebrate?
Let the good times multiply
Just me and you
YeahLet me tell ya now
Let me tell ya now
Let me tell ya now
WowHere's an invitation to the whole wide world
From your brother to your sister to your best friend's girl

Can't excuse it (Oh!)
No excuses (Oh!)
Everybody get stupid (Stupid)
(Everybody get stupid now)Unpredictable and ready
Never slick and steady
Once you get it, then you won't let go
Don't call it foolish (Yeah!)
I say it's cool-ish (Yeah!)
Everybody get stupid
(Everybody get stupid)
(Everybody, everybody get stupid)If you got money in your pocket, it don't mean nothing
If you ain't where it is, if you ain't where it is
If you ain't got a mister, I'll dance with ya
'Til it's late (baby), let 'em in
'Til it's late, let 'em in
'Til it's late
Oh, 'til it's late
'Til it's lateWow!Here's an invitation to the whole wide world
From your brother to your sister to your best friend's girl
Can't excuse it (Oh!)
No excuses (Oh!)
Everybody get stupid
(Everybody get stupid)
(Everybody get stupid, stupid)Unpredictable and ready
Never slick and steady
Once you get it, then you won't let go
Don't call it foolish
I say it's cool-ish
Everybody get stupid
(Everybody get stupid)
(Everybody, body get...)
