Sea Shells

Andy Street

By the window
Since time began
Watch the wind blow
Sculpting sand
All in letters bound in string
Life is slowly unraveling
Burning castle
Turning down
Mr. Prince has
Lost her crown
All in letters bound in string
Time is slowly unraveling
She sells
Empty sea shells
Lost in the ocean

Through the window
We can see
Sand and biscuits
Cups of tea
All in letters bound in string
Life is slowly unraveling
All in letters bound in string
Life is slowly unraveling
She sells
Empty sea shells
She sells
Empty sea shells
Lost in the ocean
