Shine

Orange Goblin

Dream on, dream on, baby, let it go
Dream on, baby, let it go
Fly so high, fly so high, baby, let it go
Fly so high, baby, let it goYou light my soul, you light my soul baby, let it go
You light my soul baby, let it go
I will shine, you will shine baby, let it go
We will shine baby, let it goWhen the revelation comes, beyond the frozen sun
We must hide inside each other's moonlight, baby
But when it's time to shine, it's written in your eyes
And we can live inside each other's daydreams maybeYeahYou wanna ride with me now, you wanna fly so high
With eyes like holes in the sun, you're gonna touch the sky
Touch the sky
You wanna walk in the stars and tie yourself to the moon
You know your future is comin' and it's comin' soon
It's comin' soonYou want the druids to take you in their magic hands
And send your soul far beyond the walls of Neverlands
Neverlands
And when we wake on the shores that bring the dawn of time
You know the light in your eyes, it will forever shine
Forever shineOh yeah
Alright
Shine onI am the sun that will shine forever in your heart
I am the stars that will shine for you when we're apart
When we're apart
And when we wake on the shores that bring the dawn of time
You know the light in your eyes, it will forever shine
Forever shineOh yeah
Alright
Shine on everyoneShine
Gonna shine
Shine on
Shine on everyoneCome on
Come on
Come on and shine
Shine
ShineCome on and shine
Shine
Shine

Come on and shine
