Knock Knock

Nikki Yanofsky

When you meet a special someone
Who takes you out on a whim
You watch those minutes tickin'
You can't help waiting up for himIn the middle of the night when the moon is high
Moon is high in the summer sky
In the middle of the night when the moon is high
My baby come knocking'In the middle of a dream he comes to me
Comes to me so suddenly
In the middle of a dream he comes to me
My baby comes knockin'... oh
Knock knock, knock on my window
Knock, knock, that's how it starts
Knock, knock, when you knock on my window
Knock, knock, knock knock goes my heart
Oh Oh Oh x3
You know you're in for trouble when you hear knock knockOn the middle of the floor I'm all yours
I'm all yours, baby take some more
On the middle of the floor I'm all yours
When the beat is poppin'
"Gonna Dance Till Dawn" that's what he said
Come on baby, make me sweat
Ain't no other man make me move like that
Our hips keep knockin'
Knock knock, knock on my window
Knock, knock, that's how it starts
Knock, knock, when you knock on my window
Knock, knock, knock knock goes my heart
Oh Oh Oh x3
You know you're in for trouble when you hear knock knockIn the middle of the night when the moon is high
Moon is high in the summer sky
In the middle of the night when the moon is high
My baby come knocking'Knock knock, knock on my window
Knock, knock, that's how it starts
Knock, knock, when you knock on my window
Knock, knock, knock knock goes my heart x3
(Ohhhh-ohhh-ohh) Way-oh, way-oh
(Ohhhh-ohhh-ohh) Way-oh, way-oh
(Ohhhh-ohhh-ohh) Way-oh, and
You know you're in for trouble when you hear knock knock
