Until the Last Goodbye (Live In Studio)

Jackie Thomas

Can't help myself 'cause
I'm so into you
Don't have the right
Just give me tonight
I'm waking up guilty
Don't have capacity to remake
Don't tell me to stop, oh, don't tell me to stop, no
What am I doing touching you?
What am I doing to you?I know we all pain but it's to a better heart
Wish you didn't get me so high
I love you to the last goodbye
I know we all pain but it's to a better heart
I've gotta let you go, don't I?
I love you to the last goodbye
The last goodbyeI feel so lonely
The dark's coming over me
I don't have the right
And I don't wanna fight
Won't give you more than
A few calls every now and then
Don't tell me to stop, oh, don't tell me to stop, no
What am I doing touching you?
What am I doing to you?I know we all pain but it's to a better heart
Wish you didn't get me so high
I love you to the last goodbye
I know we all pain but it's to a better heart
I've gotta let you go, don't I?
I love you to the last goodbye
The last goodbyeCan't help myself 'cause
I'm so into you
Don't have the right
What am I doing touching you?
What am I doing to you?I know we all pain but it's to a better heart
Wish you didn't get me so high
I love you to the last goodbye
I know we all pain but it's to a better heart
I've gotta let you go, don't I?
I love you to the last goodbye
The last goodbye

The last goodbye
